

# THERE'S AN ADVENTURE HERE.

TUUCI

The following pages contain a collection of recipes inspired by the fusion of cultures from our hometown in Miami, Florida. Folded in with the spices and layered into each course is a celebration of both traditional heritage and bold exploration... the best of our yesterdays and the thrill of our tomorrows. We hope you surround yourself with the sounds of laughter, the warmth of friends and family, and the aromas of memories in the making, as you share and savor the Taste of TUUCI.
